WE NEED HELP WITH EVENTS

We have mapped out an event calendar for the remainder of the year, now we need to make these events happen. This is your Club, the committee can't do every thing, so we are looking for people to help with an event or two.

Your Club is not asking you to do this alone, just to pitch in and help the other committee members make your Club work for you and them, we have some large events coming up and we will need sub-committees to run these, so please become involved with your Club

Don't like the events we have, or how they are run, well then step up to the plate and make a difference. It does no body any good sitting back complaining and then doing nothing to help, make a difference get involved

MERCHANDISE

- Club merchandise is only available for sale to club members for them and their family
- Payment must be paid before merchandise is ordered
- The merchandise officer is the only person authorized to order any club merchandise
- Merchandise is available for purchase at all club meetings and events
- **With the shift to the new club logo, we are waiting on new prices**
- If you have any ideas regarding merchandise please contact **Gordi**

MERCHANDISE & CORPORATE LOGOS

We use the various corporate logos from Ford, Tickford and FPV under strict guidelines and the right to use these logos can be withdrawn from us if we abuse this agreement. Therefore all club members are placed on notice that you can only buy club merchandise from Gordi (0412 094 265).

Any member using our logos or the logos above without the express permission of the Club, will be charged with bringing the club into disrepute and proceedings to remove them from the "Club" will be put into action

YOUR CAR or NEXT CAR

We all know that ADTRANS is one of our Major Sponsors and that through David Holst, Dealer Principal of Stillwell we arranged a sponsorship agreement that has seen the building, painting and sign writing of our Club Trailer.

In our last newsletter we stressed the importance of using our sponsors and to always give them the last chance to bid for the job / work. Our sponsors need to see value for their money and this is what happens when we support our sponsors

Like to save money and get value for your money, then read on

Following discussions with David Holst last week please be aware of the following

Buying a New Car,

In the market for a BA XR 6, XR Turbo, XR 8 or even a GT or GT - P, then take the best offer you have to Stillwell Ford at 1 Main North Road, Medindie.

Show your membership card and best quote and they will attempt to match or better it.

Buying a Pre-Loved Car,

Show your membership card at Stillwell Ford at 1 Main North Road, Medindie and you will be looked after, also Darren McCormack will be providing the "Club" with periodic e-mail listing's of high quality, low km's Tickford vehicles, so if you are in the market send the club an e-mail and we will on forward the list

Car Servicing

When we put our cars into Dealerships, we all want / demand the same thing and that is that they treat the cars in the same manner as we do. To help us with this issue it has been arranged for all our Club cars to be serviced through the one group at Stillwell, this is the "Blue Group" run by Jim, I personally use and recommend him to all our members.

This is a win / win situation for us all, as the more of our types of cars they work on, the more refined and polished they become, this leads them to understanding both our wants and needs as well as becoming more familiar with our cars.

When booking you need to explain that you belong to our Club and that your car is to be looked after by Jim in the Blue Group

Spare Parts

Present your current Club membership card at the spare parts counter and you will be entitled to receive discount on your purchases

Helping Us with New Members

Stillwell will place one of our Club application forms in the glove box of all new and used cars sold and or serviced that qualify for membership, this will in turn help us grow and return work to them, via our loyal members

Rodney Humphrys & David Holst (dated 17th March 2003)

GENERAL NEWS & INFORMATION

BOUNTY 2003

To encourage current members to get new people to join the club we run a bounty system. The way this works is that you need to write your name in the section of the application form that says Bounty. If someone sends in a form with your name on it you will get \$2 off next years membership, up to a total of \$20. So if you get 10 people to join during the year you will only have to pay \$5 when renewals are due..

Members bounties received so far this year are:(Figures are only to March)

CLUB WEBSITE (www.tickfordclub.com.au)

Since the 13th of August 2002 we have had 237,934 hits on our home page. This is a pretty impressive strike rate of around 34,000 hits per month.

FORD PERFORMANCE RACING MERCHANDISE

Our Club now has an arrangement with Ford Performance Racing and the purchasing of their merchandise. They have developed a 70 odd item range that absolutely screams of FPR and FORD and yes it's in the best colours- NAVY and WHITE!

The official release date for the full range is 1st May in time for the Eastern Creek round, all goods will be available at the track, on our website plus delivered to participating FORD dealers for retail sale.

The 2003 FPR and Tickford / FPV Club SA reward program will be:

10% rebate off all members' purchases of FPR merchandise, the rebate will be calculated every 3 months and a cheque sent to our club.

Finer details of the rebate program logistics will be sent to us before the middle of April

This will ensure our members can have priority ordering and get their FPR merchandise

FPR will donate a \$250.00 merchandise gift voucher to your club for fundraising or as a prize within your club. The gift voucher and redemption details will be sent to us before the end of April.

MYSTERY CRUISES

Whilst they are not “official” events, you are invited to meet up around 10.30am at a place to be chosen, every second or third Sunday. One person each time will be chosen to select the destination. As a guide the cruise would be around an hours drive; an inexpensive lunch (could be a bar-b-que, counter meal etc) and then a return around 2.30pm – just in time to watch the V8s on telly.

The meeting places will be either north and South of the city and will be promulgated in the Car Club section of the Advertiser on Thursdays. It doesn't matter if two cars turn up or twenty, it is a good excuse to hit the road for a couple of hours and get to know fellow members of the club

2004 FPV FAMILY DAY

Heard all the stories on this years FPV Open Day, Made up your mind to attend next Years event?? Well have we got a deal for you. From our next meeting, you can start making fully refundable part payments for your accomodation. Any money paid, you will receive a receipt and all the money collected will be held separate from the club accounts.

Note: Before the final booking is made you will be given the option of pulling out and all monies will be returned to you. Once the booking is made and you withdraw, all you will loose is the booking deposit.

MOUNT GAMBIER – SHOW & SHINE

Official entry forms are now available for the Annual Show and Shine in Mount Gambier, the show is held over the October long weekend (04-05) and in past years has proven to be a good weekend away.

It is planned to drive down on the Friday, and return on the Monday. Accommodation is about 2-3 Kms from the show and a courtesy bus is made available to allow us to get around.

Interested? – See your Events Committee, Rodney has the details for booking accommodation.

EXTREME HORSEPOWER SUPER SHOW

Hot on the heels of the Mount Gambier show is SA's biggest motoring event - the Extreme Horsepower show at the Wayville Showgrounds. Dates for this one is 01–02 November and entry forms are now available.

More information will be available from the Events Committee at future meetings.

KONICA V8 SUPERCARS – MALLALA

For any of you who may not have received the Email – I have re-produced it here for your information.

Fellow Club Members

Thanks to the efforts of Philip Twigg, we have arranged an event for Saturday 30th & Sunday 31st of August; this is the V8's (Konica's) at Mallala

Yes this is a long way off but we need to know by Sunday 20th July if you are going

The cost is \$30 for both days per person (kids under 12 free to be confirmed)

What you get for this is

- * A three-day pass (Friday to Sunday)**
- * A grandstand seat**
- * A pit pass**
- * A couple of parade laps on each day**

Your Club will also be putting on a barbecue and drinks (\$1-00 per item) to help reduce the costs for you and raise some money for the Club

It also provides us with a chance to support RUPPRECHT Motor-Sport; these are the people who lent us the Race Car for the Holden & Ford Show at which we won Best Club Display

So if you want to attend then you need to contact Phillip Twigg on 8344 9684, to get this deal we need to have at least 20 cars take up the offer and no you don't have to attend both days

hope to see you all at this event
