WE NEED HELP WITH EVENTS

We have mapped out an event calendar for the remainder of the year, now we need to make these events happen. This is your Club, the committee can't do every thing, and we are looking for people to help with an event or two.

Your Club is not asking you to do this alone, just to pitch in and help the other committee members make your Club work for you and them, we have some large events coming up and we will need sub-committees to run these, so please become involved with your Club

Don't like the events we have, or how they are run, well then step up to the plate and make a difference. It does no body any good sitting back complaining and then doing nothing to help, make a difference get involved

AGM 4th NOVEMBER

Members, once again we are at that time of year, when you have a major say in the direction of your Club. This is done by voting in the members of your Clubs new committee.

CLUB WEBSITE (www.tickfordclub.com.au)

Since August 2002 we have had 487,876 hits on our home page. This is a pretty impressive strike rate of around 37,000 hits per month.

Our web site has been the same now for the past couple of years and its about time we looked at updating the look and feel of this important window to the world

If you have any ideas on what you think it needs to look like, please bring those ideas to the next couple of committee and or club meetings

YOUR CAR or NEXT CAR

We all know that ADTRANS is one of our Major Sponsors and that through David Holst, Dealer Principal of Stillwell we arranged a sponsorship agreement that has seen the building, painting and sign writing of our Club Trailer.

In our last newsletter we stressed the importance of using our sponsors and to always give them the last chance to bid for the job / work. Our sponsors need to see value for their money and this is what happens when we support our sponsors

Like to save money and get value for your money, then read on

Following discussions with David Holst last week please be aware of the following

Buying a New Car,

In the market for a BA XR 6, XR Turbo, XR 8 or even a GT or GT - P, then take the best offer you have to Stillwell Ford at 1 Main North Road, Medindie.

Show your membership card and best quote and they will attempt to match or better it.

Buying a Pre-Loved Car,

Show your membership card at Stillwell Ford at 1 Main North Road, Medindie and you will be looked after, also Darren McCormack will be providing the "Club" with periodic e-mail listing's of high quality, low km's Tickford vehicles, so if you are in the market send the club an e-mail and we will on forward the list

Car Servicing

When we put our cars into Dealerships, we all want / demand the same thing and that is that they treat the cars in the same manner as we do. To help us with this issue it has been arranged for all our Club cars to be serviced through the one group at Stillwell, this is the "Blue Group" run by Jim, I personally use and recommend him to all our members.

This is a win / win situation for us all, as the more of our types of cars they work on, the more refined and polished they become, this leads them to understanding both our wants and needs as well as becoming more familiar with our cars.

When booking you need to explain that you belong to our Club and that your car is to be looked after by Jim in the Blue Group

Spare Parts

Present your current Club membership card at the spare parts counter and you will be entitled to receive discount on your purchases

Helping Us with New Members

Stillwell will place one of our Club application forms in the glove box of all new and used cars sold and or serviced that qualify for membership, this will in turn help us grow and return work to them, via our loyal members

Rodney Humphrys & David Holst (dated 17th March 2003)

GENERAL NEWS & INFORMATION

BOUNTY 2003

To encourage current members to get new people to join the club we run a bounty system. The way this works is that you need to write your name in the section of the application form that says Bounty. If someone sends in a form with your name on it you will get \$2 off next years membership, up to a total of \$20. So if you get 10 people to join during the year you will only have to pay \$5 when renewals are due..

FORD PERFORMANCE RACING MERCHANDISE

Our Club now has an arrangement with Ford Performance Racing and the purchasing of their merchandise. They have developed a 70 odd item range that absolutely screams of FPR and FORD and yes it's in the best colours- NAVY and WHITE!

The official release date for the full range is 1st May in time for the Eastern Creek round, all goods will be available at the track, on our website plus delivered to participating FORD dealers for retail sale.

The 2003 FPR and Tickford / FPV Club SA reward program will be:

10% rebate off all members' purchases of FPR merchandise, the rebate will be calculated every 3 months and a cheque sent to our club.

Finer details of the rebate program logistics will be sent to us before the middle of April

This will ensure our members can have priority ordering and get their FPR merchandise

EXTREME HORSEPOWER SUPER SHOW

SA's biggest motoring event - the Extreme Horsepower show at the Wayville Showgrounds.

Dates for this one is 01-02 November and entry forms have been sent out in the last newsletter and also with other mail outs

MYSTERY CRUISES

These events although not listed in the event calendar have been arranged to fill the needs of our members, for a quick cruise and meal, you need to check the "CLUB NOTES" in Thursdays paper for details. You are invited to meet up around 10.30am at a place to be chosen, every second or third Sunday. One person each time will be chosen to select the destination. As a guide the cruise would be around an hours drive; an inexpensive lunch (could be a bar-b-que, counter meal etc) and then a return around 2.30pm – just in time to watch the V8s on telly.
