Official Newsletter of the Tickford / FPV Club SA – Inc

The Tickford / FPV Car Club is proudly sponsored by Jarvis Ford.

Since coming on board, a number of club members have already taken advantage of the new deals arranged as part of our sponsorship, and it is hoped that all members will speak to Jarvis when it is time for you to up grade.

Should you experience any problems at any of the Jarvis locations and or staff, firstly try to rectify them with the persons involved. If you are unable to come to an amicable agreement then please direct your concerns to Gordi who will take your concerns higher. Of course, don't forget to pass on the positive feedback you may have.

CLUB DISCLAIMER

This Newsletter is intended for distribution amongst Club Members and its chosen recipients.

We take all care but no responsibility for the information contained within.

EDITOR'S RAMBLINGS

Hi all and welcome to the Nov / Dec edition, I will start off by asking a question; **“Have you renewed your membership yet??”** When I compiled the Sept / Oct Edition, the club had 62 members. At this time of writing, we have received 37 renewals. We cannot keep extending the deadlines, so if you haven't yet renewed your membership please get your forms in ASAP. Of course, If circumstances have changed and you are not renewing your membership, on behalf of the club thank you for your patronage and don't forget to say Hi if you see us around. I will send out this Newsletter to all members, but the January / February 2006 edition will only be sent out to current members.

November once again brings our AGM and the Committee positions up for renewal appear on the next page. One position up for grabs is mine, It is not always an easy task to put this Newsletter together but I can say it's been enjoyable; if anyone else has nominated for this position (and they get voted in) then I will give them every assistance in the changeover. Once the voting is counted I will send out an Infogram to inform you of the filled positions.

As this is the last Newsletter for this year, I would like to pass on to all the members and Sponsors of the Tickford / FPV Club all the best for the Christmas break and have a great New Years. Be safe on the roads and we'll see you in the new year.

CLUB INFORMATION

Membership renewals have been due since September. The club information can now be reset as per our latest membership list. As of 01 November 2006, the club has 35 Members and 39 Cars. We have 5 Utes, (1 Tornado) 2 EF XR6 Station Wagons, 1 ED XR8 Sprint, 2 AU T3s (1 TS50 & 1TE50) and 1 Cougar Eibach. 24 cars have custom number plates.

The breakdown of models are:

15	<u>TICKFORDS</u>	XR6	XR8	Sprint	GT	T Series	Other
EB							
ED				01			
EF		03	02				
EL		01	02				
NL Fairlane							
AU							
AUII							
AUIII		02	01			02	
Cougar							01
Capri Clubsprint							

16	<u>FORD FALCON / FOCUS</u>	XR5T	XR6	XR6T	XR8
FOCUS					
BA			02	05	06
BF			01	02	

10	<u>FPV</u>	Typhoon	Tornado	GT	GT-P	Pursuit	Super Pursuit
BA				04	03		
BF		01	01	01			

<u>COLOURS</u>	Silver 07	Blue 06	Red 05	White 03	Orange 03
	Green 04	Phantom 03	Yellow 05	Vibe 01	Meteorite 01
	Toxic 01	Citric 01	Silhouette 01		

As you can see, we have a fairly nice spread of models and colours, but the balance is starting to shift towards the more modern BA and BFs. To hold onto our "heritage" it would be nice to see more of the early models come back into the "fold" – if you meet anyone who might have EBs, (XR6 / XR8 / GT) EDs, (XR6 / XR8 & Sprints) all T Series, (TE, TS and TL) Capri Clubsprints and Tickford converted Mustangs, invite them to join the club. We all know the newer models are great but it certainly makes for more interesting events if we have more "oldies" in our club.

GENERAL NEWS & INFORMATION

CANCELLATION OF MEETINGS OVER THE CHRISTMAS HOLIDAY BREAK

Two meetings (December 27th 2006 Committee and January 02 2007 General) fall over the annual Christmas Holiday Period. It has been decided that we will cancel these meetings so our first meeting for 2007 will be the January Committee Meeting. Our first General meeting will be February 06 2007.

The Next Newsletter will be due out in January and you will receive this a little bit later in the month, if there is any news that needs to be passed on then we will send it out as an Infogram.

COMMITTEE MEETINGS – CHANGE TO THIRD WEDNESDAY OF THE MONTH

Effective from our first meeting in January, Committee meetings will now be held on the **THIRD** Wednesday of the month instead of the LAST. Presently there is only 6 days between the Committee meeting to the General meeting and it doesn't give us much time if things need to be organised. By moving the Committee meeting back one week it will give us the extra time and also even out the time between meetings.

END OF YEAR CHRISTMAS PICNIC

Once again we are inviting all our members and sponsors along for our annual Christmas "get together". The venue will be the same as last year (Lockleys Primary School Oval) and this year we have decided that instead of a Bar-B-Q, the Club will be paying for a mobile caterer to do the lunch. A letter was sent out in October asking for members to advise the number of people attending and the acknowledgement slip needed to be returned by the First of November.

On the day, all people who have returned the acknowledgement form will be given a voucher, if you don't have a voucher then sorry, you will not be getting a meal. The Committee is in the process of finalising the planning and more details will be distributed when they are announced.

GENERAL NEWS & INFORMATION

FPV OPEN DAY – TEN YEAR ANIVERSARY

Application forms have been sent out for this event and an acknowledgement slip had to be sent back to the Club (indicating if you are attending or not) by the First of November.

The event in 2007 will be the tenth FPV Open Day so pack the car (wife & Kids are optional *kidding*) and see the birthplace of our beloved cars. For those who have never attended an open day, apart from meeting up with all the other car clubs from interstate, FPR launches their V8 supercar season from this event with guest appearances of the current drivers and tours of the race workshops. Jason Bright has moved on to the Britek team so his replacement will be there (rumours are it's a driver who has been "poached" from the red team and has returned to a Ford – he partnered Glen Seaton in the FTR Falcons and won Bathurst with Jason Bright – any guesses)

This is probably the premium event that the club attends and is always a lot of fun. If you have never attended one, the trip usually starts on the Friday and we show the cars on the Sunday. Saturday is free for sightseeing, shopping etc and there is a tram stop outside the hotel which makes it real easy to get into the city. We return to Adelaide on the Monday.

UPCOMING EVENTS FOR NOVEMBER /DECEMBER

18 or 25 NOV – Evening Cruise / Night time meal

Not sure yet if this will be the 18th or the 25th it all depends on when we can book the room. It is planned to have an evening cruise ending with a meal at the Goodwood Park Hotel. This is in the early planning stage and more details will be sent out as they become available.

For further details contact Scott - Phone No 0403 032059.

03 DEC – End of Year Christmas Picnic

Once again we are inviting all our members and sponsors along for our annual Christmas “get together”. The venue will be the same as last year (Lockleys Primary School Oval) and will feature a catered lunch. Final details will be distributed soon.

Following on from the Sept / Oct Newsletter, I have once again looked at the web site <http://www.bevyoung.com.au/car.htm> - there is not much happening in Adelaide this time of year but there are a few swap meets coming up if you're looking for elusive parts for your projects at home.
